Created by Owlsong Productions and in collaboration with the Tubac Center for the Arts, the Mingus Centennial Fiesta will be held as part of international jazz celebrations held on April 30th around the globe, as well as the Centennial celebrations for jazz icon, Charles Mingus, born in Santa Cruz County (Nogales) in April of 1922.

This all-day Outdoor Jazz Festival includes performances by Alan Lewine Xtet, Max Beckman's Tonight At Noon, singer/songwriter Kristy Hinds as well as talented student musicians from Southern Arizona. Food trucks and artist booths will be on hand as we celebrate this historic centennial of one of jazz' giants!
